ADDITIONAL FINENESS CERTIFICATION

In the year 2025, the Laboratory carried out three inspection visits at the Company's premises, during which samples were taken from production or storage batches. The results of the analyses confirmed the conformity of the fineness; furthermore, the verification of the marks applied to the items proved to be compliant.

Therefore, this Additional Fineness Certification is hereby issued to the Company

BETTER SILVER S.p.A.

The samples have been analyzed according to the following standards:

UNI EN ISO 11427:16 for silver alloys

The operations were carried out in accordance with Article 19 of D.Lgs. No. 251 of 22 May 1999 and Articles 51, 52, 53 and 54 of DPR No. 150 of 30 May 2002.
